EUGENIX P.S.A. EMPLOYMENT LIMITS IN THE ANTARCTIC ICE REMOVAL PROGRAM FOR SHAREHOLDERS INDIGENOUS AND SHAREHOLDERS COINDIGENOUS ETHNIC GROUPS.

EUGENIX P.S.A. EMPLOYMENT GUARANTEES IN THE GEOMAGNETIC DAMS CONSTRUCTION FOR ARCTIC AND COARCTIC ETHNICITIES

1. Eugenix P.S.A. will allow ice share purchasers to use own subcontractors and use chose subcontractors from the Arcticus Blancus non-indigenous contractors of lower subarctic in particular Arcticus Bluntus and all Coarcticus groups. and lower subarctic indigenous companies for the development and operation of fleet technology for the ice removal program only. Geomagnetic dams will always stay under the Arcticus Blancus own indigenous employment with the use of Articus Blondus, Arcticus Blendus and their co-indigenous Coarcticus Burgundus and Brunettus from A, B, C 1-4 as stated in the publication Eugenix® Ethnic Hair Quantum for Ethnic Work Predisposition.

2. Eugenix P.S.A. will allow ice share purchasers to subcontract the above listed ethnic groups for the development and operation of fleet technology for the ice removal program only if all Eugenix P.S.A. ethnic terms are followed by those contractors especially rules that relate to protection all individual ethnicities from any kind of ethnic genocide by hetero-ethnic marriages with Arcticus Blancus or any other ethnicity other than own kind.

3. Eugenix P.S.A. with the Arcticus Blancus reserves the right to terminate, shorten, modify, any long-term contract-permission to conduct business with its shareholders due to any ethnic and economic injustice reported to Eugenix P.S.A. or Arcticus Blancus by its shareholders, other subcontractors or any other type of reporting individual, group, entity, etc

4. All workers, contractors, firms, suppliers and other entities will be added to Internal Ethnic Union of workers, contractors and suppliers that will be allowed to benefit from all types of ethnic collaboration and further work opportunities. Union will help to connect all companies and subcontractors with shareholders to provide Ethnic Contracts or long-term employment for all nonindigenous nationals having residence in the arctic and subarctic states that allow them to get jobs related to ice removal program with aimed to connect and revive nonindigenous nationals own indigenous life in their indigenous Rafaltic and or Aquatic climatic territories with goal to restore climate and establish ecological and sustainable future in their native lands.

SHAREHOLDERS ETHNIC EMPLOYMENT LIMITS PER ETHNIC GROUPS AND PROGRAM TYPES

A. ANTARCTIC ICE REMOVAL PROGRAM.

i. Rafaltic Indigenous Ethnicities (D7) on own indigenous territories might retain up to 100% of all work rights on the Ice Removal Program in own Rafaltic and Aquatic states as purchasers of Eugenix P.S.A. shares.
ii. Coarcticus Burgundus Indigenous Ethnicities (B5-B6) on own indigenous territories might be given any amount of work from Rafaltic and Aquatic states shareholders. (Able to work in a Gene-Shredding Antarctic environment).
iii. Coarcticus Brunettus Indigenous Ethnicities (C5-C6) on own indigenous territories might be given any amount of work from Rafaltic and Aquatic states shareholders. (Able to work in a Gene-Shredding Antarctic environment).

5. The above employment limits represent a total number of contracts to be performed across all shareholders. Eugenix P.S.A. will keep track of contracts and advise shareholders on total number of contracts all listed ethnicities have completed or signed for with all shareholders in individual states.

6. Shareholder states should utilize own ethnic work force from own states before reaching to neighboring states for same ethnic workforce. Shareholders should also remember that their own ethnic

members live abroad in the arctic and subarctic as nationals of arctic and subarctic states that are included in the above plan to help join back broken up individual ethnicities thru own cooperation.

7. Keep in mind that all work to be performed in the Antarctic related to the Ice Removal Program is highly health deteriorating due to "gene shredding" therefore it should be done only by the Arctic and Coarctic ethnicities as mentioned above in the percentages set above not to discriminate able ethnicities. All other work related to Ice Removal Program that relate to Fleet Welding and Steel production should be done mainly by the Rafaltic and Aquatic ethnicities in their rafaltic and aquatic territories.
